IPRF Golf Outing

HUGHES CREEK
GOLF COURSE

FRIDAY, SEPT. 13, 2024

GENERAL INFO

RULES

1. If you have fewer than four golfers in your group, you are allowed to play extra shots for the missing golfers.
2. Each team must turn in their scorecard to the Pro Shop immediately after finishing.
3. If you have a double bogey on a hole, pick it up at that point.
4. Men will play white tees, women will play red tees.

One score per hole per team

1. Each member of the team hits a tee shot.
2. The team decides which of the shots is the "best ball."
3. The remaining members of the team pick up their balls and place them in the "best ball" area. "Best ball" area is an area within one-half (1/2) club length and no closer to the pin.
4. Each member of the team hits a second shot.
5. The "best ball" is again determined, and step #3 is repeated.
6. This sequence is continued until the hole is completed.
7. Consecutive shots from a team member per hole are allowed.

AWARDS
